 Julia Roberts	Rec.	 No Beef	 Orange Cockles
 George Clooney	Rec.	 Vegetable Burger on a Bun with Salad	 Orange Cockles
 Amy Adams	Rec.	 Beefburger in a Bun	 Iced Lemon Sponge

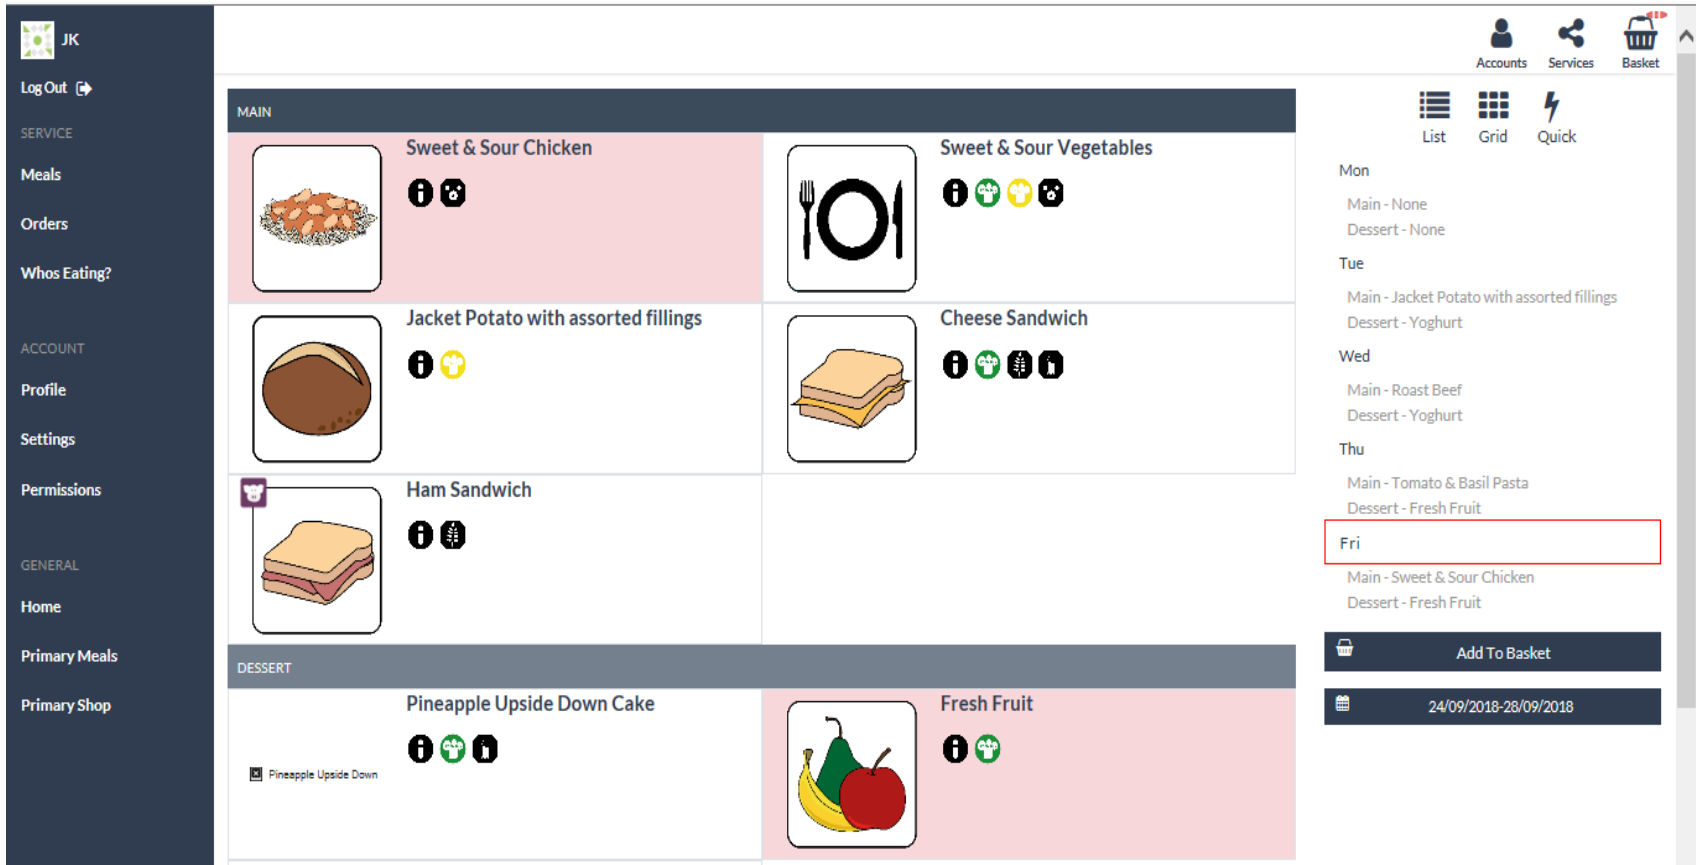

How Does it Work?

- You can order meals in advance and pay online via your PC, Tablet or Smart Phone at your convenience
- You can maintain your child's allergen information and dietary needs directly on-line to ensure accuracy
- Meal order and payment information is securely passed to the School's kitchen and office systems.

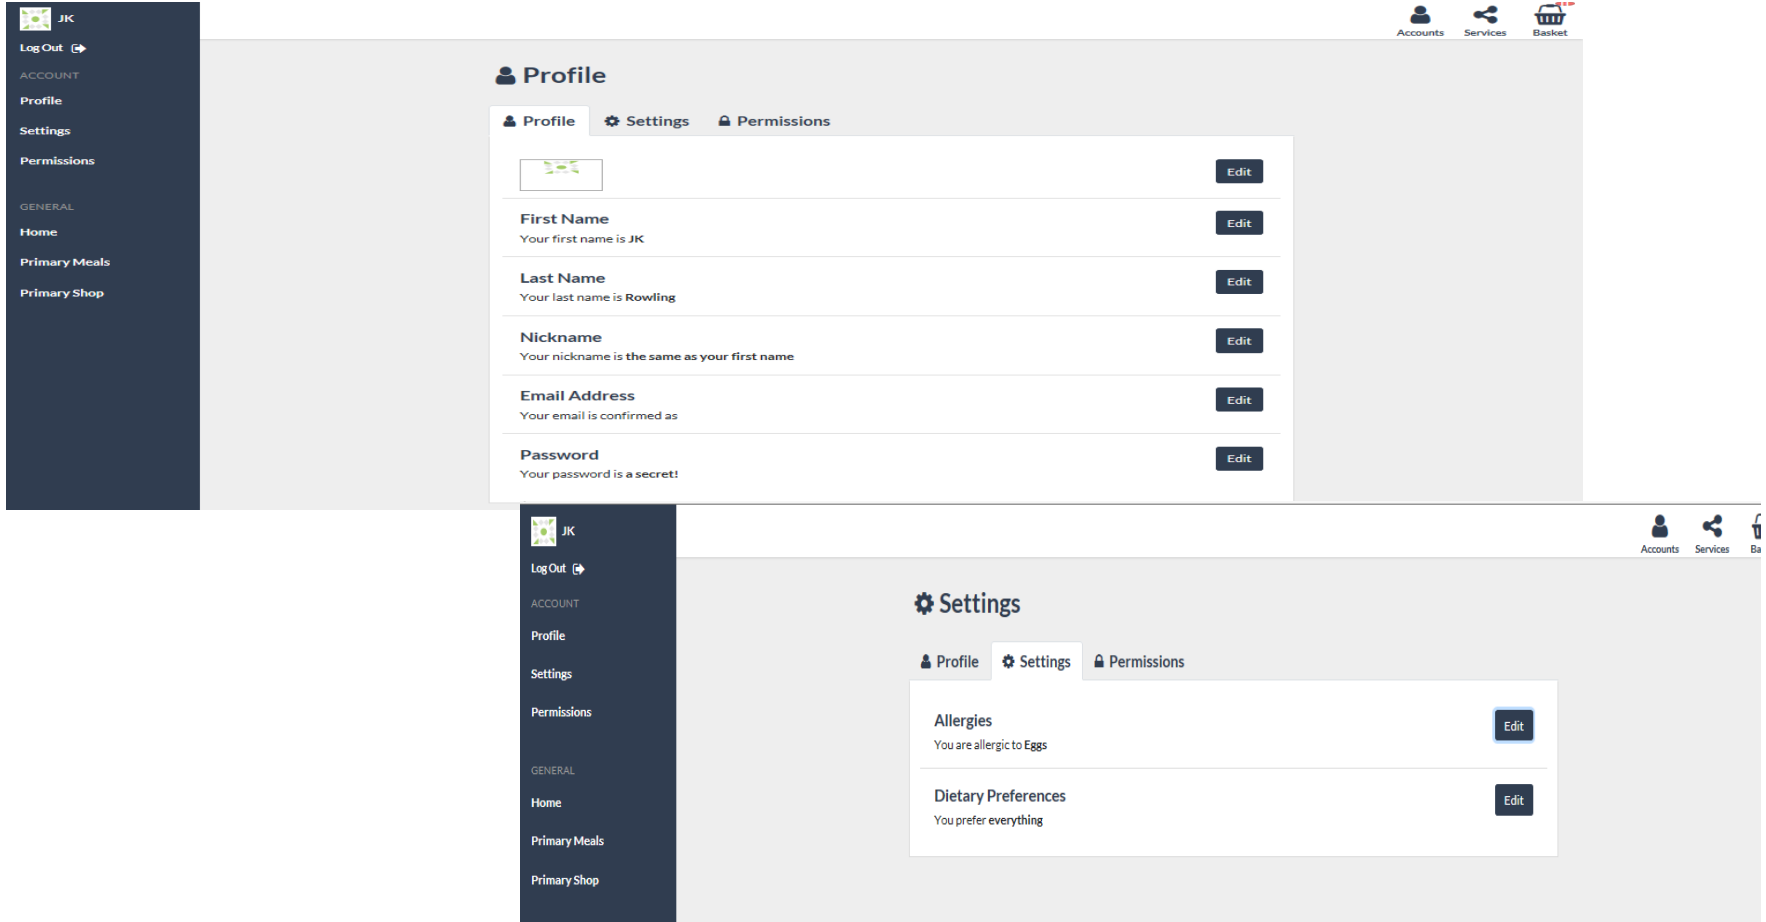

Selecting and placing meal orders is quick and simple to do.....

The screenshot displays the Trafford Smart Catering System interface. On the left is a dark sidebar with navigation links: JK, Log Out, SERVICE, Meals, Orders, Whos Eating?, ACCOUNT, Profile, Settings, Permissions, GENERAL, Home, Primary Meals, and Primary Shop. The main content area is divided into 'MAIN' and 'DESSERT' sections. The 'MAIN' section features a grid of meal options: Sweet & Sour Chicken, Sweet & Sour Vegetables, Jacket Potato with assorted fillings, Cheese Sandwich, and Ham Sandwich. Each meal includes an icon and a set of icons representing dietary preferences. The 'DESSERT' section includes Pineapple Upside Down Cake and Fresh Fruit. On the right, a sidebar shows the current date (24/09/2018-28/09/2018) and a list of meals for the week: Mon (Main - None, Dessert - None), Tue (Main - Jacket Potato with assorted fillings, Dessert - Yoghurt), Wed (Main - Roast Beef, Dessert - Yoghurt), Thu (Main - Tomato & Basil Pasta, Dessert - Fresh Fruit), and Fri (Main - Sweet & Sour Chicken, Dessert - Fresh Fruit). At the bottom right, there are buttons for 'Add To Basket' and a date range selector.

Maintaining accurate information on your child is easy too...

The image displays two screenshots of the Trafford Smart Catering System user interface. The top screenshot shows the 'Profile' page, and the bottom screenshot shows the 'Settings' page. Both pages feature a dark blue sidebar on the left with navigation links and a light gray main content area.

Profile Page:

- Header:** User icon, 'JK', 'Log Out', 'ACCOUNT', 'Profile', 'Settings', 'Permissions', 'GENERAL', 'Home', 'Primary Meals', 'Primary Shop'.
- Top Right:** 'Accounts', 'Services', 'Basket'.
- Profile Section:** 'Profile' (selected), 'Settings', 'Permissions'. Fields include: Profile picture (Edit), First Name (JK, Edit), Last Name (Rowling, Edit), Nickname (same as first name, Edit), Email Address (confirmed as, Edit), Password (secret!, Edit).

Settings Page:

- Header:** Same as Profile page.
- Top Right:** 'Accounts', 'Services', 'Ba'.
- Settings Section:** 'Settings' (selected), 'Profile', 'Permissions'. Fields include: Allergies (allergic to Eggs, Edit), Dietary Preferences (prefer everything, Edit).

What Are the Benefits?

- Your child receives the meal of your choice
- Food waste is minimised and school costs are reduced, helping to maintain as low a meal price as possible.
- Menu choices are restricted according to your child's individual dietary needs:-

Menus are managed in relation to the 14 National Allergens, Vegetarian, Vegan, Halal, Kosher, and Meat Species – beef, pork, poultry, lamb and fish.

(Other allergens can be managed by application only – or as advisory flag to kitchen staff only)

However, we need you to do the following:

- The Cut Off Date for orders is 6 days before service. **Ideally, we would ask you to order by Tuesday for the following week.**
- If your child is absent on the day, please cancel the meal(s) ordered for the term of the absence (9am at the latest on morning of service) or you may still be charged.
- Please advise ASAP if your child changes from school meals to sandwiches (or vice versa). Be aware that charges will be incurred every day that a child is recorded as a diner.
- If your child's meals are free, please remember, that the school will still incur a charge so please keep us informed to help us reduce costs and manage waste.

How does this help?

- Having meal orders in advance ensures we order our food supplies as accurately as possible and prepare only the necessary meals required, thus minimising waste
- The more parents co-operate, the more the school saves money on catering

**This helps to keep prices as low as possible
and keeps us Environmentally Friendly 😊**

The School are Planning to launch the On-Line Meal Ordering System over the next few weeks.

We will send out further correspondence in relation to the system and how to register on-line in the near future.....
