

Payment Guide for My Evolve Hub: Primary Meals

Payment for your child's school meals should be made online when using Myevolvehub.com by debit or credit card.

Once you have chosen all your meals click on the basket to make any payments and process your meal selections.

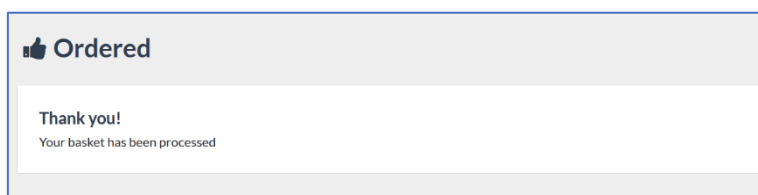

The screenshot shows a web interface titled "Basket". It indicates "Your shopping basket contains 1 item". Below this, a table lists the items:

Items	Price
Card Transaction Card	
 Crispy Chicken Fillet in a Wrap served with Fruit in Jelly as dessert for Johnny 22-06-2018 Totipot Card Remove Save	£0.00 Card
Administration Fee	£0.00
Total Card Payment	£0.00

Below the table, there is a note: "Card Payments and refunds are processed separately. Items to be refunded will be refunded to the payment method used for the original charge. Cash payments are made directly to the supplier. Allowing an item will permanently remove an order. Saving an item will temporarily stop an item being processed. Refreshing the basket will restore any saved items." At the bottom, there is a "Process" button.

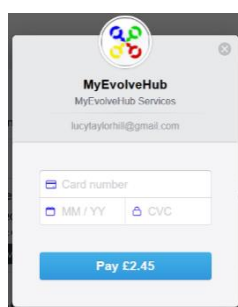

Click on Process;

If you do not pay for your school meals, you will see a message thanking you for your order

The screenshot shows a confirmation page titled "Ordered" with a thumbs-up icon. Below the title, it says "Thank you!" and "Your basket has been processed".

If you do pay for school meals you will be taken to the payment page.

The screenshot shows a mobile app interface for "MyEvolveHub". It displays the user's name "MyEvolveHub Services" and email "lucyfaylorhill@gmail.com". Below this, there are input fields for "Card number", "MM / YY", and "CVC". At the bottom, there is a blue button labeled "Pay £2.45".

After entering your card details you can choose for your card to be remembered. If you choose this option you will be asked to enter your phone number for security details.

After your card has been processed you will see a message thanking you for your order.

Your basket will now be empty.
