			Straw Lemon Sponge

How Does it Work?

- You can order meals in advance and pay online via your PC, Tablet or Smart Phone at your convenience
- You can maintain your child's allergen information and dietary needs directly on-line to ensure accuracy
- Meal order and payment information is securely passed to the School's kitchen and office systems.

Selecting and placing meal orders is quick and simple to do.....

The screenshot displays the 'Order Meals - My Evolve' web application. The interface is divided into a main content area and a right-hand sidebar.

Main Content Area:

- MAIN Section:**
 - Sweet & Sour Chicken:** Includes an icon of a chicken dish and a list of allergens (gluten, dairy, eggs, soy).
 - Sweet & Sour Vegetables:** Includes an icon of a plate with a fork and knife and a list of allergens (gluten, dairy, eggs, soy).
 - Jacket Potato with assorted fillings:** Includes an icon of a potato and a list of allergens (gluten, dairy).
 - Cheese Sandwich:** Includes an icon of a sandwich and a list of allergens (gluten, dairy, eggs, soy).
 - Ham Sandwich:** Includes an icon of a sandwich and a list of allergens (gluten, dairy).
- DESSERT Section:**
 - Pineapple Upside Down Cake:** Includes an icon of a cake and a list of allergens (gluten, dairy, eggs, soy).
 - Fresh Fruit:** Includes an icon of various fruits and a list of allergens (gluten, dairy).
 - Yoghurt:** Includes an icon of a yoghurt container.

Right-Hand Sidebar:

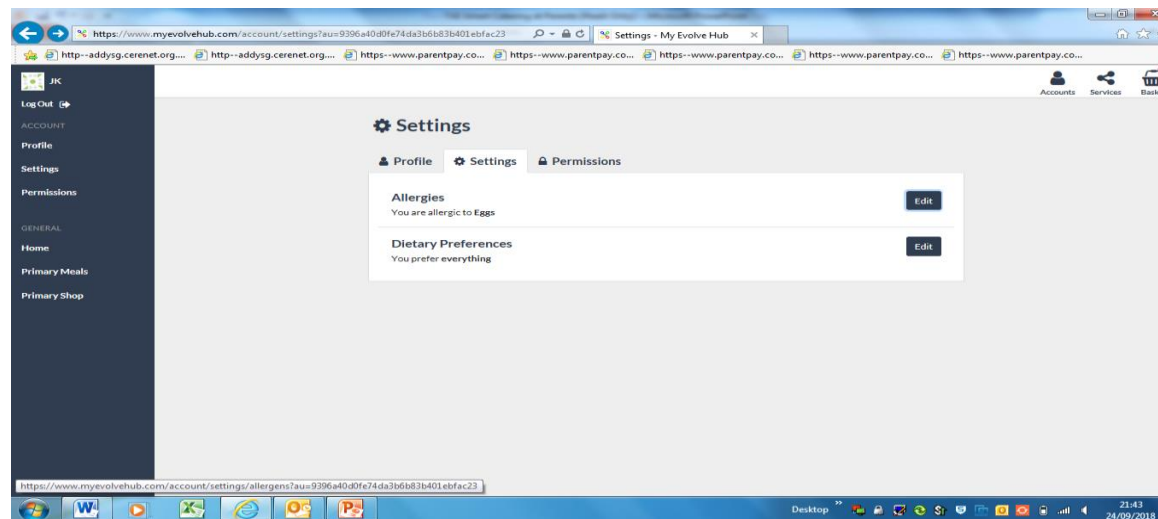

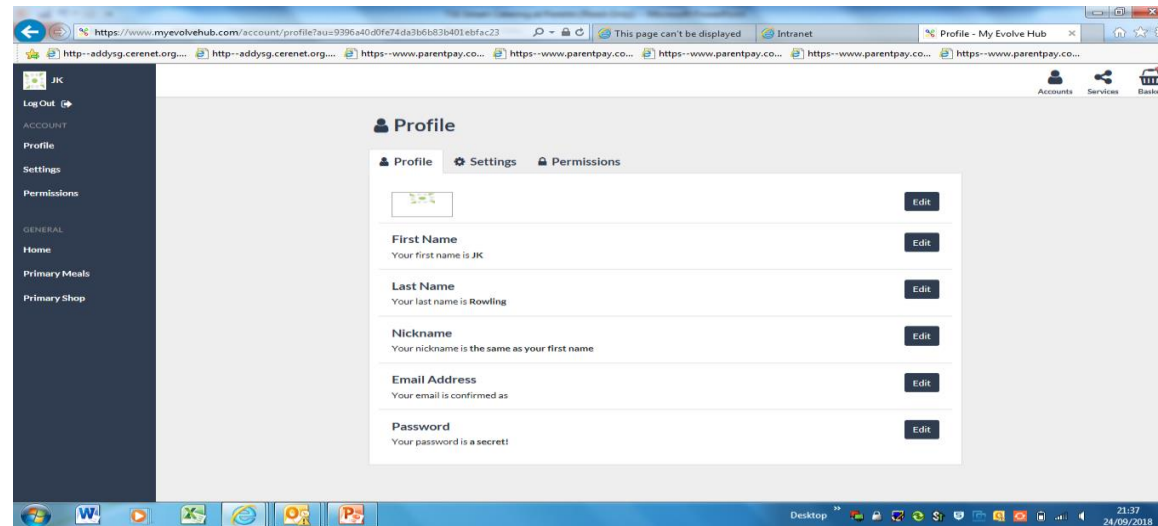

- Accounts, Services, Basket:** Navigation links at the top.
- List, Grid, Quick:** View toggle buttons.
- Meal Schedule:**
 - Mon:** Main - None, Dessert - None
 - Tue:** Main - Jacket Potato with assorted fillings, Dessert - Yoghurt
 - Wed:** Main - Roast Beef, Dessert - Yoghurt
 - Thu:** Main - Tomato & Basil Pasta, Dessert - Fresh Fruit
 - Fri:** Main - Sweet & Sour Chicken, Dessert - Fresh Fruit (highlighted with a red box)
- Add To Basket:** A button to add the selected meal.
- 24/09/2018-28/09/2018:** A date range selector.

Left-Hand Sidebar (Navigation Menu):

- JK:** User profile icon.
- Log Out:** Logout button.
- SERVICE:**
 - Meals
 - Orders
 - Whos Eating?
- ACCOUNT:**
 - Profile
 - Settings
 - Permissions
- GENERAL:**
 - Home
 - Primary Meals
 - Primary Shop

Windows Taskbar: Shows the Start button and several open applications including Word, Excel, and Internet Explorer. The system clock indicates 21:32 on 24/09/2018.

Maintaining accurate information on your child is easy too...

What Are the Benefits?

- Your child receives the meal of your choice
- Food waste is minimised and school costs are reduced, helping to maintain as low a meal price as possible.
- Menu choices are restricted according to your child's individual dietary needs:-

Menus are managed in relation to the 14 National Allergens, Vegetarian, Vegan, Halal, Kosher and Meat Species – beef, pork, poultry, lamb and fish.

(Other allergens can be managed by application only – or as advisory flag to kitchen staff only)

However, we need you to do the following:

- Order meals in advance. The deadline for ordering is one full week in advance with Sunday being the cut off. Weekly reminders are sent via Class Dojo to parents.
- If your child is absent, please cancel the meal ordered on Evolve by 9am at the latest on morning of service or you may still be charged.

How does this help?

- Having meal orders in advance ensures we order our food supplies as accurately as possible and prepare only the necessary meals required.
- The more parents co-operate, the more the school saves money on catering

This helps to keep prices as low as possible and keeps us environmentally friendly!
