## A circular inset photograph showing four children (three boys and one girl) standing behind a blue and yellow striped inflatable. They are all smiling and holding up water guns, having just finished playing. The background shows a park with trees and a fence.

## A photograph of two children, a girl and a boy, crouching on a solid red background. The girl, on the left, has long brown hair and is wearing a light pink long-sleeved shirt and dark blue leggings. She is reaching out with her right hand towards a small, black and silver remote-controlled car. The boy, on the right, has blonde hair and is wearing a grey hoodie and blue jeans. He is looking down at the car with a focused expression. The car is a four-wheeled model with black tires and a silver chassis. The overall scene is brightly lit, and the red background is a vibrant, solid color.

## A young boy with short dark hair, wearing a black long-sleeved shirt, is holding a red plastic basket. Inside the basket is a yellow ball. He is looking down at the basket with a slight smile. The background is a solid red color.

## A collection of three black Amnicoson pickleball paddles and three yellow pickleballs. The paddles are arranged in a fan-like pattern, showing their black faces with a yellow circular logo in the center. The logo contains a black pickleball and the text "AMNICO PICKLEBALL SPORTS" and "PICKLEBALL PADDLE". The brand name "Amnicoson" is printed in yellow at the bottom of each paddle face. The paddles have black, textured grips with red laces. The three yellow pickleballs are positioned in the upper left corner. The entire scene is set against a solid red background.
