

## Year 6 Curriculum update

### Welcome back Year 6!

We hope you have all had a fantastic, well-earned break.

Get ready for another busy half term ahead...

This half term our focus will be on 'Angry Earth'. In topic, we will be researching natural disasters with a focus on volcanoes. We will also be developing our English skills further with a creative writing piece on Pandora. In Science, we will be learning about evolution and inheritance. We will spend some time further developing our learning by investigating fossils and English palaeontologist, Mary Anning.

For PE, we are looking forward to participating in basketball and cricket. Please make sure children arrive at school in the correct PE kits on their PE days (see your class teacher for PE days).

In PSHE, we will be spending some time preparing for high school and our transition.

We are extremely excited to share our production of Robin and the Sherwood Hoodies with you on Thursday 18th July and will be spending time developing our performance skills through drama, music and speaking and listening.
