

Broadheath Primary School

Year 5 Curriculum update

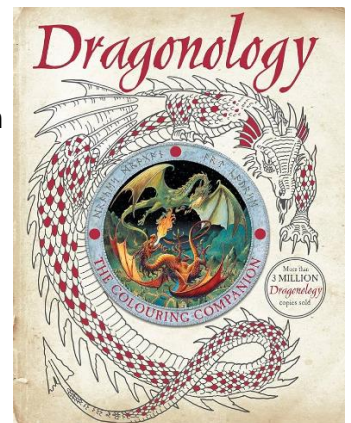

SPRING 2

Welcome back to the second half of the Spring term. We hope you all had a fantastic, well-earned rest and are looking forward to another busy half term ahead, with lots of new and exciting learning.

Curriculum update:

For this half term, our theme is 'Invaders and Settlers,' where we will continue with our focus on Anglo Saxons and Vikings. We have developed great knowledge about the Anglo-Saxon period, and our aim now is to deepen our knowledge of The Vikings, alongside developing our disciplinary knowledge as historians.

In English, we will be focusing on Dragonology, exploring a range of poetry based on dragons and other mythical creatures. We will also develop our non-fiction writing skills through non-chronological report writing and newspaper articles. Throughout the writing processes, we will continue to develop our editing skills as writers.

In maths, we will develop our understanding of decimals and percentages and the how these link to fractions. In arithmetic, we will continue to practise our calculation skills and develop our speed, accuracy and knowledge with both formal and mental strategies.

In Science, we will be investigating materials and changing states, carrying out experiments to deepen our knowledge and understanding.

For PE, we are looking forward to enhancing our skills in hockey and outside adventure activities, with a focus on teamwork.

Important dates

Monday 23rd February – Back to school

Wednesday 25th February – Class photographs
